We are trusted professionals and truly believe that quality and relationships are our keys to success.

**Our Direct Hire Search Division** offers recruiting capabilities across all levels and skill sets from Administrative to Executive. Examples of our most recent searches include (but not limited to):

**Office Assistant, Inside Sales Representative, Production Coordinator, Purchasing Manager, Maintenance Technician, Maintenance Manager, Production Manager, Instructional Designer, Director of Operations, Quality Control Manager, Human Resource Generalist, Cost Estimator, Lab Manager, Environmental, Health & Safety Manager, Operations Coordinator**

---

Aspen Search Group is a sister company to Michigan Staffing, LLC. Michigan Staffing provides Administrative and Light Industrial employees for Contract, Contract to Hire and On Site Staffing needs.

*"We have had the pleasure of working with Vicky at Aspen Search Group to fill a number of key roles within our company. The level of customer service and ability to find the right talent to meet our staffing needs has exceeded our expectations. She took the time to gain an understanding of our company culture and was able to pinpoint the right talent for us. The recruitment and screening process has proven very effective and **we are thrilled to have hired a number of candidates as a result** of our partnership. If you are looking for a staffing partner that provides quality candidates in a timely manner, I highly recommend Vicky at Aspen search Group". **Stephanie, Human Resource Manager***

---

*"After spending a great deal of time **recruiting on our own with no luck**, we reached out to Aspen Search Group. Vicky took the time to understand our business and the type of talent we were looking for. Within a week she was able to provide a perfect fit for our team. We hired the first candidate she sent to us! I would highly recommend Aspen Search group for any Direct Hire staffing needs." **Angela, Vice President***

---

*"Working with Vicky at Aspen Search Group has been an amazing experience. Her ability to find candidates with the requisite qualifications has been remarkable. She takes time to learn about and understand the position, which has resulted in **finding the right talent for the role quickly**. It is obvious Vicky has the interest of the client and candidate at heart." **Kelly, Technology Manager***
