

Work with a Company that Cares

Michigan Staffing is a premier recruitment, staffing, and placement firm providing a wide range of human resources and staffing services, including administrative/clerical, general labor, and customer service.

Aspen Search Group is our Direct Search service, working with clients across industries to identify key professional and technical employees for direct hire and project-based needs.

We Build the Bridge between Talent and Opportunity

Our mission is to improve futures for clients and employees by elevating our investment in people.
